

JANUARY 13TH TO 24TH

Every Woman Deserves the Confidence to Start Over

*The Clarkson-Leigh FBLA chapter is partnering with Center
for Survivors to gather*

***gently used or new cosmetics, jewelry, nail polish, body spray,
lotion, and perfume***

*to help women in the organization feel good about themselves
when applying for new jobs and starting over.*

Please drop off donations at Clarkson and Leigh school offices.

This drive not only helps struggling women get back on their feet, but our Go Green recycling group in FBLA will also gain recognition for this community project at the FBLA State conference.

Thank you for participating and your support!
